1 Section 1: The General Laws, as appearing in the 2014 Official Edition, is hereby
2 amended by inserting after Chapter 201F the following new chapter:-

3 CHAPTER 201G

4 MASSACHUSETTS END OF LIFE OPTIONS ACT

5 Section 1. Definitions.

6 The definitions in this section apply throughout this chapter unless the context clearly
7 requires otherwise.

8 “Adult” means an individual who is 18 years of age or older.

9 “Aid in Dying” means the medical practice of a physician prescribing lawful medication
10 to a qualified patient, which the patient may choose to self-administer to bring about a peaceful
11 death.

12 “Attending physician” means the physician who has primary responsibility for the care of
13 a terminally ill patient.

14 “Capable” means having the capacity to make informed, complex health care decisions;
15 understand the consequences of those decisions; and to communicate them to health care
16 providers, including communication through individuals familiar with the patient’s manner of
17 communicating if those individuals are available.

18 “Consulting physician” means a physician who is qualified by specialty or experience to
19 make a professional diagnosis and prognosis regarding a terminally ill patient’s condition.

20 “Counseling” means one or more consultations as necessary between a licensed mental
21 health professional and a patient for the purpose of determining that the patient is capable and
22 not suffering from a psychiatric or psychological disorder or depression causing impaired
23 judgment. A licensed mental health professional that is part of interdisciplinary team defined in
24 105 CMR 141.203, for a patient receiving hospice care, may provide the necessary consultations,
25 provided that a consultation occurs after the patient has made the oral request.

26 “Guardian” means an individual who has qualified as a guardian of an incapacitated
27 person pursuant to court appointment and includes a limited guardian, special guardian and
28 temporary guardian, but excludes one who is merely a Guardian ad litem (as defined in Chapter

30 by Chapter 201D of the Massachusetts General Laws).

31 “Health care provider” means an individual licensed, certified, or otherwise authorized or
32 permitted by law to administer health care or dispense medication in the ordinary course of
33 business or practice of a profession, and includes a health care facility.

34 “Incapacitated person” means an individual who for reasons other than advanced age or
35 minor, has a clinically diagnosed condition that results in an inability to receive and evaluate
36 information or make or communicate decisions to such an extent that the individual lacks the
37 ability to meet essential requirements for physical health, safety, or self-care, even with
38 appropriate technological assistance. This term shall follow as described by Chapter 190B,
39 Article V, Section 5-101.

40 “Informed decision” means a decision by a qualified patient to request and obtain a
41 prescription for medication pursuant to this chapter that is based on an understanding and
42 acknowledgment of the relevant facts and that is made after being fully informed by the
43 attending physician of:

- 48 (e) The feasible alternatives or additional treatment opportunities, including but not
49 limited to palliative care as defined in Ch. 111 § 227.

132 import of this request and I expect to die if I take the aid in dying medication to be prescribed. I

258 under this chapter as "suicide" or "assisted suicide."

259 Section 15. Provider Participation.

260 (1) A health care provider may choose whether to voluntarily participate in providing to a
261 qualified patient medication pursuant to this act and is not under any duty, whether by contract,
262 by statute, or by any other legal requirement, to participate in providing a qualified patient with
263 the medication.

264 (2) A health care provider or professional organization or association may not subject an
265 individual to censure, discipline, suspension, loss of license, loss of privileges, loss of
266 membership, or other penalty for participating or refusing to participate in providing medication
267 to a qualified patient pursuant to this chapter.

268 (3) If a health care provider is unable or unwilling to carry out a patient's request under
269 this chapter and the patient transfers care to a new health care provider, the prior health care
270 provider shall transfer, upon request, a copy of the patient's relevant medical records to the new
271 health care provider.

272 (4) (a) Health care providers shall maintain and disclose to consumers upon request their

278 (iii) clarify any difference between institution-wide objections and those that may be
279 raised by individual licensed providers who are employed or work on contract with the provider;

280 (iv) describe the mechanism the provider will use to provide patients a referral to another
281 provider or provider in the provider's service area who is willing to perform the specific health
282 care service;

283 (v) describe the provider's policies and procedures relating to transferring patients to
284 other providers who will implement the health care decision; and

285 (vi) inform consumers that the cost of transferring records will be borne by the
286 transferring provider.

287 (c) The consumer disclosure shall be provided:

288 (i) to any individual upon the request;

289 Section 16. Liabilities.

295 medication to end the patient's life, or to destroy a rescission of a request, shall be guilty of a
296 felony punishable by imprisonment in the state prison for not more than three years or in the
297 house of correction for not more than two and one-half years or by a fine of not more than one
298 thousand dollars or by both such fine and imprisonment.

299 (3) Nothing in this act limits further liability for civil damages resulting from other
300 negligent conduct or intentional misconduct by any individual.

301 (4) The penalties in this chapter do not preclude criminal penalties applicable under other
302 law for conduct inconsistent with the provisions of this act.

303 Section 17. Claims by governmental entity for costs incurred.

304 A governmental entity that incurs costs resulting from a qualified patient self-
305 administering medication in a public place while acting pursuant to this chapter may submit a
306 claim against the estate of the patient to recover costs and reasonable attorney fees related to
307 enforcing the claim.

308 Section 18. Construction.

309 Nothing in this chapter may be construed to authorize a physician or any other individual
310 to end a patient's life by lethal injection, mercy killing, assisted suicide, or active euthanasia.

311 Section 19. Severability.

312 If any provision of this act or its application to any individual or circumstance is held
313 invalid, the remainder of the act or the application of the provision to other individuals or
314 circumstances is not affected.
