If comments in any section exceed the space provided, please use an attached page. Supplemental comments should be identified using the appropriate alphanumeric notation (e.g., C3).

* "Terminal condition" means an incurable and irreversible disease that would, within reasonable medical judgment, result in death within six months.

** "Capable" means that a patient has the ability to make and communicate health care decisions to a physician, including communication through persons familiar with the patient's manner of communicating if those persons are available.

*** Factors demonstrating residency include, but are not limited to: 1) Possession of a Vermont driver's license; 2) Registration to vote in Vermont; 3) Evidence that a person leases/owns property in Vermont; or 4) Filing of a Vermont tax return for the most recent tax year. Only the attending physician is required to affirm Vermont residency.
